

## Kids' Rules for Online Safety

### St. Dominic School

1. I will not give out personal information such as my address, telephone number, parents' work address/telephone number, or the name and location of my school without my teacher's (parents') permission.
2. I will tell my teacher (parents) right away if I come across any information that makes me feel uncomfortable.
3. I will never agree to get together with someone I "meet" online without first checking with my parents. If my parents agree to the meeting, I will be sure that it is in a public place and bring my mother or father along.
4. I will never send a person my picture or anything else without first checking with my teacher (parents.)
5. I will not respond to any messages that are mean or in any way make me feel uncomfortable. It is not my fault if I get a message like that. If I do I will tell my teacher (parents) right away so that they can contact the service provider.
6. I will talk with my teacher (parents) so that we can set up rules for going online. We will decide upon the time of day that I can be online, the length of time I can be online, and appropriate areas for me to visit. I will not access other areas or break these rules without their permission.
7. I will not give out my Internet password to anyone (even my best friends) other than my teacher (parents.)
8. I will be a good online citizen and not do anything that hurts other people or is against the law.
9. I will learn to tell the difference between important information and advertising on Web sites.
10. I will hit the BACK button immediately if I get to a Web site that makes me feel uncomfortable or contains information that is not for kids to see. I will tell my teacher (parents) about the site right away.
