

My New Year's
Resolutions for 2005
By
Mrs. Heilmann

As a wife and
mother, I resolve
to try to be neater
around my house
and to spend more
time with my
grandson Luke

As a teacher, I
resolve to give
instructions to
students more
slowly and to make
sure everyone can
keep up with me.

As a friend, I
resolve to see my
friends more
regularly and to
send emails to
people who live far
away from me.

As a citizen of the
USA and the
world, I resolve to
be better
informed about
what is happening
in our country.
